How to Download Jab Tak Hai Jaan English Subtitles for Free

Jab Tak Hai Jaan is a 2012 Indian romantic drama film directed by Yash Chopra and starring Shah Rukh Khan, Katrina Kaif and Anushka Sharma. The film tells the story of an ex-army man who falls in love with a woman in London, but has to choose between her and his muse in Kashmir. The film was a critical and commercial success, and also marked the last directorial venture of Yash Chopra before his death. If you want to watch Jab Tak Hai Jaan with English subtitles, you have several options to download them for free. Here are some of them:

- You can visit opensubtitles.com and search for Jab Tak Hai Jaan. You will find various versions of subtitles for different formats of the film, such as DVDSscr, DVDRip, BluRay, etc. You can choose the one that matches your video file and download it. You can also rate and comment on the subtitles.[^1^]
- You can also visit subdl.com and search for Jab Tak Hai Jaan. You will find subtitles in different languages, such as English, Arabic, Indonesian, etc. You can select the language you prefer and download the subtitle file. You can also request a translation or correct a subtitle.[^2^]
- Another option is to visit subdl.com and download the English subtitle directly. This is the fastest way to get the subtitle without browsing through other languages or formats.[^3^]

After downloading the subtitle file, you need to rename it to match your video file name and place it in the same folder. Then you can open your video player and load the subtitle from the menu. Enjoy watching Jab Tak Hai Jaan with English subtitles! Here are some more tips to enjoy Jab Tak Hai Jaan with English subtitles:

- If you want to adjust the timing or position of the subtitles, you can use a subtitle editor software such as Subtitle Edit or Aegisub. These tools allow you to sync, edit and customize the subtitles according to your preferences.
- If you want to learn more about the film, you can visit its official website jabtakhaijaan.com or its IMDb page [imdb.com/title/tt2176013/](https://www.imdb.com/title/tt2176013/). You can find information about the cast, crew, plot, trivia, awards and reviews of the film.
- If you want to watch other films by Yash Chopra or Shah Rukh Khan, you can check out their filmography on IMDb or other websites. Some of their popular films include Dilwale Dulhania Le Jayenge, Veer-Zaara, Dil To Pagal Hai, Mohabbatein and Rab Ne Bana Di Jodi.
